**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I work from home and rely on fast and affordable Internet access to be successful. This is why I am asking you to allow competitive companies like Sonic to utilize existing and new infrastructure without having to be subjected to unexpected or unnecessary price increases.

I recently upgraded to Sonic's fiber and found it to be more than 5 times as fast at half the cost of AT&T or Comcast. Also, Sonic's customer support was better.

Hopefully companies like Sonic can continue to provide excellent service and support without having to ask customers to pay exorbitant prices.

Thank you for your consideration.
